About Alumni

The Alumni association is registered as “Prasad V. Potluri Siddhartha Institute of Technology Old Students Association” by the A. P. Societies Registration Act in 2005 with the registration number 241/2005.

Alumni of the college are rendering their service in organizations of National and International Repute. They are spread across the Globe. Alumni of the college have a sense of Belongingness and Responsibility towards the Institution. A few Alumni have settled down as Entrepreneurs. They play a significant role in the development of the Institution. They contribute directly and indirectly for enhancing the skillset of the students. As the members of the Department Advisory Board, the Alumni play a pivotal role in redesigning the Curriculum as per the Industrial requirements. They help a lot in identifying the gaps if any existing in the syllabus and provide necessary suggestions to bridge the gap. Alumni deliver Guest Lectures on recent trends in Technology. They create awareness on the Industrial requirements. They motivate the students to acquire the knowledge and skills required by the Employees. They share Information regarding the Employment Opportunities available in the firms where they are extending their service. Alumni provide Feedback which is invaluable to the Organization in training the Students. They create awareness on POs and PEOs. They organize Workshops on Technical Topics, Team work Interpersonal skills and other aspects of Personality Development. They provide all inputs required for properly orienting the Students to set their Career Goals and enable them to plan their Future.

GUEST LECTURES

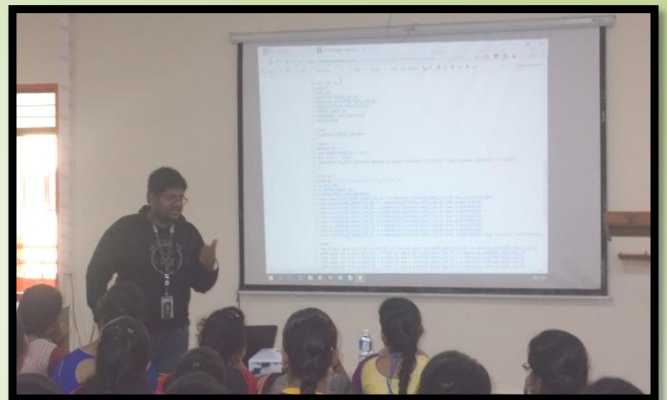

DEPARTMENT OF IT

The Academic Experience with Good Infrastructure and excellent Faculty at PVPSIT have endured me with a lifelong career excellence. The Teaching Methodologies and Training Programmes backed by professional skills and the pre final year Technical Industry interface have given me the Confidence to pursue my Career ahead.

Mr. P. Bhargav MS in USA, 2016 passed out, delivered a lecture on **“Awareness on abroad scholarships and MS admissions Abroad”** on 01-7-2017

As far as the Placements are concerned, enough Opportunities are provided to every student and it is upto the Individual how you take it. Moreover, having a Placement Policy makes things even more transparent. I am really lucky and proud to have been a part of this Institution not only because i got placed but because of the things i have learnt over there. I am Placed in – Amazon, Hyderabad.

Mr. M. Satya Prakash Data analyst in Amazon, 2014 passed out, delivered a talk on **“Development Trends in IT Sector”** on 28-07-2017

I am very much happy to see PVPSIT after a long time and to deliver a guest lecture to the students in the home department. The core basics which I learnt from the Department are very much useful for my Career Growth. I memorize all my past experiences in college days. The day which I cherish most the day I received a Memento from Ex Principal Dr K. Mohan Rao garu for Winning First prize in Technical Quiz conducted by the college on Engineers Day. I congratulate the college Alumni team for their efforts in pooling up Alumni expertise to train Students as best Technocrats.

Mr. V.Siva Nagisetty Software Architect, Switzerland, 2003 passed out, delivered Awareness talk on **“Recent Technological Trends in MNC’s”** on 03.08.2017.

Dr. Kadambari, Professor, NIT Warangal, 2002 passed out, delivered a Guest Lecture on “**Big Image Data Processing on Hadoop Framework**” on 28.10.2017.

placed.

PVPSIT gives a great Opportunity for Students to broaden their knowledge beyond their field of Studies. The friendly Attitude of the Professors and their willingness to always offer a helping hand has made me feel a part of the PVPSIT family. The 4 years spent here were splendid and has helped me to grow better professionally and personally. My B.Tech at PVPSIT Brought clarity of Thought, Knowledge, Confidence, Courage and Conviction to me and my Goals. Real time exposure was immense throughout the program. Finally I got admission in Michigan state University and i got

Ms. J. Sneha Priya, Data Analyst, USA, 2014 passed out, delivered an Awareness talk on “**Foreign Universities**” on 15.12.2017.

At PVPSIT everything possible is done to make the Students life high-quality learning focused. The quality of the Professors gives it a high academic level with their strong Industry experience and abilities.

Mr. K. Sudheer Varma, ETL Developer in TCS, 2014 passed out, delivered an Awareness Lecture “**Importance of Internships in B.Tech**” on 18.12.2017.

Interaction with IT Department Alumni

Interaction with Alumni in HOD's Chamber on 23-12-2017

DEPARTMENT OF ECE

I am very happy to see the upgradation of Laboratories and other Facilities in our College which helps Students to join in Core Companies. The fundamentals imparted during the 4 years helped me a lot to work comfortably in Intel.

Mr. S. Sri Harsha, LTE modern Firmware Verification Engineer, Intel Mobile Communications, U.S.A, 2012 passed out, delivered a talk on “**LTE Technology**” on 05.01.2018

The Environment in the College made me to grow personally and professionally. With the cooperation of the Faculty, we conducted group Discussions among ourselves beyond college hours, which helped us to get placed. Not only placement, their guidelines made me to do M.Tech. at CSIR, Bangalore. Now i am preparing for IES.

Mr. G. Santosh Kumar, Head of the Department, ECE, GATE Academy, 2011 passed out, delivered a talk on **“How to prepare for GATE Exam”** on 19.12.2017

I am very happy to motivate our Juniors regarding the Opportunities in Government Sector, as it took nearly two years for me after my B.Tech to join as Tax Assistant. The constant Encouragement given by our Faculty after the completion of the Course also helped me a lot to be in this position.

Ms. K. Slipa, Tax Assistant Officer, 2010 passed out, delivered a Motivational Talk on **“Opportunities in Various Government Sectors”** on 23.09.2017

DEPARTMENT OF CSE

I am really proud of my College because of which I got an opportunity where I rub shoulders with Veterans in the Industry. Fantastic education in a caring and thoughtful Community is what we get from this great Institution.

Ms. T. Pavani Priyanka, 2017 passed out, delivered a talk on **“Career Guidance”** on 08.08.2017

It feels good to be on the other side of the Table and looking forward for a better Career ahead. The continuous Support and Guidance led me through my way and today I confidently stand up and throw Challenges in this Corporate World. I got placed from the Campus into CapGemini, Chennai and now just after three months the Accomplishments are better to be called good. Brick by brick as they say has laid the Foundation of my Life and nurtured me to blossom and flourish the vision of Growth and Sustainability.

Ms. T. Ravali, 2017 passed out, delivered a Guest Lecture on **“Challenges in Corporate world”** on 11.08.2017

Over the last few Decades, Advancements in Computer and Software Technologies have reached an impressive level. These Technologies improve not only in the common areas of our daily life, but also in the areas of Education, Health, Production Industries, and so on. Thus, recent advancements in computer and Software Technologies are the base for the Society of Tomorrow.

Mr. M. Leela Krishna, 2015 passed out, delivered a talk on **“The Recent Advancements in IT Industries”** on 19.08.2017

I entered these very Gates with a fair knowledge of the world but still deep within I felt that there was something missing. My journey here has been very eventful and has personally filled in every gap I felt missing. We not only get facilitated with a course but got accustomed to mingling with the broadest spectrum of people; indeed peer learning has been the Focal point of my education here.

I would like to thank the CSE department for ensuring a placement that met my Specific requirements. They have a ‘never leave a man

behind’ Attitude and were there for me through the ups and downs throughout the FOUR Years.

Again big thanks to the CSE team.

Mr. Sonti Sudheer, 2005 passed out, delivered a Guest Lecture on **“Future Enhancement in new Technologies”** on 08.09.2017
