About Alumni

The Alumni association is registered as "Prasad V. Potluri Siddhartha Institute of Technology Old Students Association" by the A. P. Societies Registration Act in 2005 with the registration number 241/2005.

Alumni of the college are rendering their service in organizations of National and International Repute. They are spread across the Globe. Alumni of the college have a sense of Belongingness and Responsibility towards the Institution. A few Alumni have settled down as Entrepreneurs. They play a significant role in the development of the Institution. They contribute directly and indirectly for enhancing the skillset of the students. As the members of the Department Advisory Board, the Alumni play a pivotal role in redesigning the Curriculum as per the Industrial requirements. They help a lot in identifying the gaps if any existing in the syllabus and provide necessary suggestions to bridge the gap. Alumni deliver Guest Lectures on recent trends in Technology. They create awareness on the Industrial requirements. They motivate the students to acquire the knowledge and skills required by the Employees. They share Information regarding the Employment Opportunities available in the firms where they are extending their service. Alumni provide Feedback which is invaluable to the Organization in training the Students. They create awareness on POs and PEOs. They organize Workshops on Technical Topics, Team work Interpersonal skills and other aspects of Personality Development. They provide all inputs required for properly orienting the Students to set their Career Goals and enable them to plan their Future.

The bond between the Alumni and the Institution has become stronger in the recent years owing to the series of Alumni meets held. The sense of responsibility on the part of Alumni has tremendously increased and they are voluntary contributing for the growth of the organization. Invaluable ideas are being shared for enhancement and sustenance of quality.

GUEST LECTURES

DEPARTMENT OF IT

The Academic Experience with Good Infrastructure and excellent Faculty at PVPSIT have endured me with a lifelong career excellence. The Teaching Methodologies and Training Programmes backed by professional skills and the pre final year Technical Industry interface have given me the Confidence to pursue my Career ahead.

Mr. P.V Naveen Kumar, System Engineer, TCS, Hyderabad 2016 passed out, delivered a lecture on **“Software Environment Tools-Career Advancements in IT Sector and Opportunities in Cloud Computing”** on 07.07.2018

As far as the Placements are concerned, enough Opportunities are provided to every student and it is upto the Individual how you take it. Moreover, having a Placement Policy makes things even more transparent. I am really lucky and proud to have been a part of this Institution not only because i got placed but because of the things i have learnt over there. I am Placed in – Amazon, Hyderabad.

Mr.ChVamsi Krishna, System engineer and Mr. K PremSai Reddy, System engineer, TCS, Hyderabad 2016 passed out, delivered a talk on **“An awareness on Amazon web services”** on 25.08.2018

I am very much happy to see PVPSIT after a long time and to deliver a guest lecture to the students in the home department. The core basics which I learnt from the Department are very much useful for my Career Growth. I memorize all my past experiences in college days. I congratulate the college Alumni team for their efforts in pooling up Alumni expertise to train Students as best Technocrats.

Mr.ChVamsi Krishna, System engineer, TCS, Hyderabad, Mr. P Kiran Kumar, Software Engineer, TCS, Hyderabad 2016 passed out, Two day workshop on **“ Amazon Web services”** from 28.09.2018 to 29.09.2018

At PVPSIT everything possible is done to make the Students life high-quality learning focused. The quality of the Professors gives it a high academic level with their strong Industry experience and abilities.

Ms. KanagalaAnusha, System Analyst Engineer, Motorola Call works, USA delivered a talk on **"Career Opportunities Abroad"** on 14.12.2018

Mr. Mahesh Namdam, Developer, Bangalore delivered a talk on **"Career Guidance and Upcoming Technologies for opportunities in the field of IT"** on 28.01.2019

DEPARTMENT OF ECE

The Environment in the College made me to grow personally and professionally. With the cooperation of the Faculty, we conducted group Discussions among ourselves beyond college hours, which helped us to get placed. Not only placement, their guidelines made me to doing Ph.D at NIT, Tiruchi.

Mr.V.Balarama Reddy,doing Ph.D at NIT, Tiruchi2015passed out,delivered a talk on **Wearable Antennas** on 5th July, 2018

I am very happy to see the upgradation of Laboratories and other Facilities in our College which helps Students to join in Core Companies. The fundamentals imparted during the 4 years helped me a lot to work comfortably in Intel.

Mr. Guduru Sandeep, ERP analyst, U.S.A, 2008 passed out,delivered a talk on **Latest Technology and Advances in U.S.A** on 24th December, 2018 for III B.Tech. ECE Students

I am very happy to motivate our Juniors regarding the Opportunities in Government Sector, as it took nearly two years for me after my B.Tech to join as Tax Assistant. The constant Encouragement given by our Faculty after the completion of the Course also helped me a lot to be in this position.

Ms. K.Slipa, Tax Assistant Officer, 2010 passed out, delivered a Motivational Talk on **“Opportunities in Various Government Sectors”** on 23.09.2017

I am really proud of my College because of which I got an opportunity where I rub shoulders with Veterans in the Industry. Holistic education in a caring and thoughtful environment is what we get from this great Institution.

Mr. T. Ravi Kumar, Head Occupant & Safety Systems, ZF India Pvt. Ltd., Hyderabad, 2014 passed out, **“Delivered a talk on “Automotive passive safety systems”** for III B.Tech. ECE, EEE & ME students on 16.03.2019.

DEPARTMENT OF CSE

It feels good to be on the other side of the Table and looking forward for a better Career ahead. The continuous Support and Guidance led me through my way and today I confidently stand up and throw Challenges in this Corporate World. I got placed from the Campus into CapGemini, Chennai and now just after three months the Accomplishments are good. Brick by brick laid the Foundation of my Life and nurtured me to blossom and flourish the vision of Growth and Sustainability.

K.RamCharith Vyas, Masters in Information Technology, Monroe University, New York, US 2018 passed out, delivered a Guest Lecture on **“How should you plan and prepare for MS”** on 28 July 2018

Over the last few Decades, Advancements in Computer and Software Technologies have reached an impressive level. These Technologies improve not only in the common areas of our daily life, but also in the areas of Education, Health, Production Industries, and so on. Thus, recent advancements in computer and Software Technologies are the base for the Society of Tomorrow.

K Tejaswi, System Architect, IBM, Bangalore., 2017 passed out, delivered a talk on **“Career Opportunities in Campus placement”** on 01 December 2018

DEPARTMENT OF EEE

It's great Honor for me to be a part of PVPSIT Family to learn, excel and put into Practice. The college has given me the Guidance to follow the right path in my career by providing me with excellent Internship Opportunities such as CAPGEMINI, Chennai, I achieved what I desired most.

Mr. MORUMURI VENKATA NAGA LOHITH, Assistant System Engineer, Tata Consultancy Services (TCS), Hyderabad., 2016 passed out, delivered a talk on **“Placements & Higher Education”** on 30.06.2018.

PVP Siddhartha Institute of Technology, one of the faster growing college provides good Infrastructure, excellent Faculty, Internship programs & Industrial visits where students get Exposure to Modern Technology scenario.

Mr. MANMOHAN ATLURI, HR, Tech Mahindra, Hyderabad. 2008 passed out, delivered a talk on **“Career Planning”** on 27.07.2018

PVPSIT gives a great Opportunity for Students to broaden their knowledge beyond their field of Studies. The friendly Attitude of the Professors and their Willingness to offer a helping hand has made me readily feel a part of the PVPSIT Family. The 4 years spent here were splendid and has helped us to grow better professionally and personally. Real time exposure was of immense help to me throughout the Program.

Mr. K. P. RAVI TEJA, M.Tech Scholar, IIT Mandi 2017 passed out Student gave Awareness on **"Preparation for Placements and GATE Examination"** on 03.08.2018

I am always being eager to say about PVP Siddhartha Institute of Technology. It's the place which made me discover our hidden abilities. The Faculty are always of welcoming nature and active all the time. PVP Siddhartha Institute of Technology ensures Opportunities for Students by assigning tasks that are neither too easy nor too difficult. It helps Students to find personal meaning and value in the Materialistic World and creates an atmosphere that is open and positive.

It also helps Students to feel that they are valued members of a learning community.

Mr. K. V. SATYENDRA NADH, Manager, Accenture, Bangalore. 2007 passed out Student on **"Career Guidance & Future Prospects in IT Sector"** on 11.12.2018

DEPARTMENT OF CE

It was a great honor to us, to interact with our Juniors as a Member of Alumni and giving Guidance to them which we learnt from our Filed Experience while working. And we can proudly say that our Department is best in all aspects and encouraged us to overcome our weaknesses.

Ms. S. Vasavi and Ms. Vidhyadari 2016 passed out students from M/s Garuda Designs and Consultants, Vijayawada. delivered a Guest Lecture on **"Structural Designs and Planning"** on 06.07.2018

DEPARTMENT OF MECH

PVPSIT is committed to the Highest Standards of Education and encourages Students to provide thoughtful and constructive Feedback to the Institute. The knowledge I acquired from the Faculty of Mechanical Engineering Department during my B.Tech played a crucial role in my selection of AEE the Entrance exam and Main Interview.

K Sai Chand, Inforglobal solutions,Q City Nankramguda,Hyderabad, Cloud Ops Engineer2014 passed out,delivered a talk on **“MOTIVATIONAL TALK ON CORE COMPANIES”**in July 2018

The Education provided in my B.Tech gave me a lot of Courage and Confidence to face Challenges.

The Values and Virtues that I imbibed during my stay in the College helped me steadfastly.

Vemuri Lakshmi Abhigna Teaching and graduate Engineer Trainee NTT Bangalore2018 passed out,delivered a talk on **“MOTIVATIONAL TALK ON CORE COMPANIES”**in Aug 2018

I would like to thank the Institute and the Faculty for all the Efforts put in by them, along with the Perseverance and right motive. All my Batch mates are doing well in their respective Jobs which reflect the Quality of the Students the Institute has produced

AUDIT REPORT

We have audited the attached Statement of Affairs of PVP SIDDARTHA INSTITUTE OF TECHNOLOGY OLD STUDENTS ASSOCIATION, Vijayawada as at 31.03.2019 and Income and Expenditure account for the year ended on that date. These financial statements are the responsibility of the management. Our responsibility is to express an opinion on these statements based on our audit.

We conducted our audit in accordance with the auditing standards generally accepted in India. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statements presentation. We believe that our audit provides a reasonable basis of our opinion.

We further report that :

1. We have obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purpose of our audit.
2. The Statement of Affairs and Income and Expenditure Account dealt with by this report are in agreement with the books of account.
3. In our opinion and to the best of our information and according to the explanations given to us, the said financial statements give a true and fair view.

- i). In the case of Statement of Affairs of the state of affairs of the PVP SIDDHARTHA INSTITUTE OF TECHNOLOGY OLD STUDENTS ASSOICIATION as at 31st March, 2019
- ii) in the case of Income and Expenditure account, Excess of Income over Expenditure for the year ended on that date.
