

1. Department of EEE organized a One week FDP on “Design and Development of Control Strategies on Electrical Power Applications - An Industrial Perspective” by eminent speakers from various reputed institutions and industry from 7th to 12th December, 2020 through online mode for Faculty members.

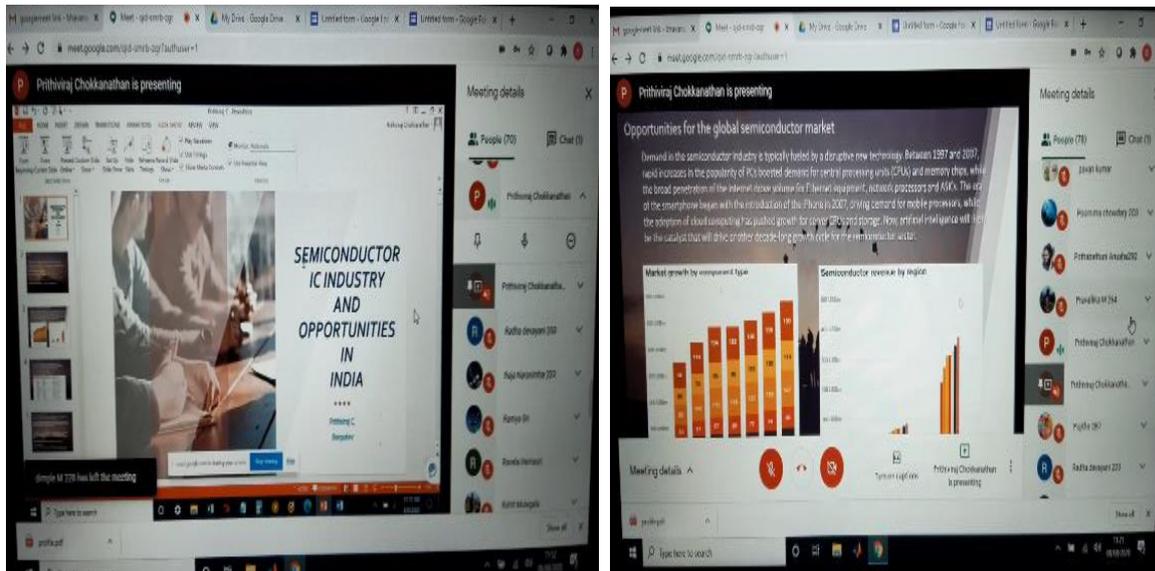

2. Department of EEE in collaboration with Department of ECE organized a webinar on “ LabVIEW for AI ” delivered by Mr. Ajay Kumar , Founder & CEO, Cognibot Robotics,Bangalore on 02.09.2020 from 3:00p.m – 4:00p.m through online mode for teaching and non teaching faculty members.

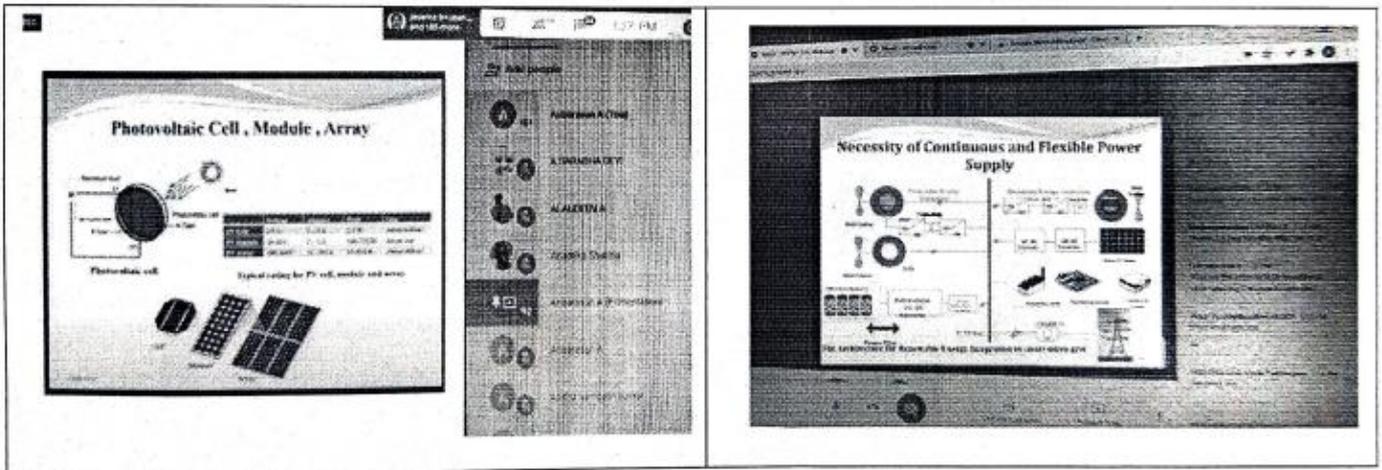

3. Department of EEE and ED Cell organized a webinar on **“Illuminating Engineering And Its Idea to Startup”** by **P.Bhaskarachari, M.Bharathi, M.D, Jolton Electronics,Vijayawada** on 15.08.2020 from 4:00p.m – 5:00p.m through online mode for III B.Tech students.

4. Department of EEE organized a webinar on **“ semiconductor industry ic opportunities in india”** by **Prithviraj.C , project leader mediatek semiconductor ,bangalore** on 8.8.2020 from 11:00A.M to 12:00 noon through online mode for IV B.Tech students and faculty members.

5. Department of EEE organized a National webinar on “**Integration on Renewable energy systems with Micro grid**” by V.Karthikeyan ,Assistant Professor, NIT ,Calicut on 1.07.2020 from 12:00pm to 1:30 pm through online mode for Faculty members.

6. Department of EEE organized a “**Virtual National Conference on Emerging Technologies in Energy Systems (NCETES-2020)**” on 11.09. 2020.

Problem Formulation (Contd.,,)

S.NO	Bed Material (Tons)	Cost of Material (Rs)	% of Magnetic elements	Cost due to Magnetic elements (Rs)
1	5840	2,92,00,000	5	14,60,000
			7.5	21,90,000
			10	29,20,000
2	6570	3,28,50,000	5	16,42,500
			7.5	24,63,750
			10	32,85,000
3	7300	3,65,00,000	5	18,25,000
			7.5	27,37,500
			10	36,50,000
