SUMMARY REPORT ON EVENT ORGANIZED

ACADEMIC YEAR : 2024-2025	
Date of Event organized & Time	26-10-2024
Name of the Program	LITERATI FEST 24
Title of the Program	CREATIVE SPEAKING!
Brief Report of the Event	<p>On October 26, 2024, the Faculty of English, Freshman Engineering Department of PVPSIT hosted <i>Creative Speaking</i> competition as part of the Literati Fest-24. The event invited students to interpret and bring to life the essence of a given topic/sentence through spoken word, showcasing their analytical abilities, creativity, and expressive prowess.</p> <p>It's a fluency activity that helped students develop flexibility, adaptability, and the ability to use language effectively. It encouraged storytelling/spontaneous talk that's inspired by the unpredictability of real-life communication. The key here is 'be creative' while processing the language. The tasks involved 'open-ended problem solving' and encouraged participants to express their own imaginative world by adding their original thoughts and ideas to others' or their own stories. A continuum of fantasy and creative language use required challenging, intriguing tasks, with a novelty element that engaged with its contents.</p> <p>The competition concluded with some excellent performances as the participants evinced great enthusiasm in expressing themselves. Prizes were given to the top 4 performers besides appreciation to all the participants.</p>
