Brief Report on the Event	<p>The Freshman Engineering Department organized a One-Day Seminar on the topic: "Language and Its Importance in Placements". This seminar is aimed at highlighting the vital role of language and effective communication skills in achieving success during campus placements. In today's competitive job market, technical knowledge alone is not sufficient but the ability to communicate clearly, confidently, and professionally is equally important. Through this seminar, students will gain insights into:</p> <ul style="list-style-type: none"> • The significance of English language proficiency in interviews and group discussions. • The role of verbal and non-verbal communication in creating a strong first impression. • Common language-related challenges faced by students and strategies to overcome them. • Real-world examples of how communication skills impact hiring decisions. <p>The session will also feature interactive discussion and practical tips to help students develop and refine their employability skills.</p>
