

PVP SIDDHARTHA INSTITUTE OF TECHNOLOGY
FRESHMAN ENGINEERING DEPARTMENT
Student Induction Program: 2024 - 25
SUMMARY REPORT ON EVENT ORGANIZED

ACADEMIC YEAR : 2024-2025	
Date of Event organized & Time	02-08-2024 (9.30 A. M. - 2.30 P. M.)
Name of the course	STUDENT INDUCTION PROGRAM
Title of the Program	LIFE SKILLS - Empowering the 21 st Century Engineer
Resource person	Dr. K. V. S. G. Murali Krishna, Vice Chancellor, JNTUK, Kakinada
Brief Report on the Event	The one-day workshop on "LIFE SKILLS - Empowering the 21 st Century Engineer" by Dr. K. V. S. G. Murali Krishna was a resounding success. It provided students with valuable knowledge and practical skills essential for their growth as well-rounded engineers. The interactive and hands-on approach ensured that the students could relate to and apply the life skills in their daily lives and future careers.
Year/ Semester	I YEAR / I SEM
No. of the participants	All I B. Tech. students present during the Induction program.
Consolidated Feedback	Good
Suggestions if any	---
Name of the Co-ordinators	Dr. P. Pavani, Asst. Prof., FED Dr. S. Lakshmi Tulasi, Asst. Prof., FED Dr. T. Preeti Rangamani, Asst. Prof., FED Mrs. P. Lakshmi Lavanya, Asst. Prof., FED Dr. G. Sree Devi, Asst. Prof., FED Mrs. T. Krishna Sree, Asst. Prof., FED
Signature of the Co-ordinators	
Signature of the HOD	 HOD Freshman Engineering Department PVP Siddhartha Institute of Technology, KADURU, YADADRI-520 007.

SUMMARY REPORT ON EVENT ORGANIZED

Name of the Activity / Program: LIFE SKILLS - EMPOWERING THE 21ST CENTURY ENGINEER

Speaker / Faculty : Dr. K. V. S. G. Murali Krishna, Vice Chancellor, JNTUK, Kakinada
Objective:

The primary objective of the workshop was to enhance the students' understanding and application of essential life skills such as communication, teamwork, problem-solving, adaptability, and ethical conduct, which are vital for successful engineering careers.

About the Topic/ Activity:

A one-day workshop titled "LIFE SKILLS - Empowering the 21st Century Engineer" was conducted by KVSG Murali Krishna, Vice chancellor, JNTUK, Kakinada. The workshop aimed to provide engineering students with crucial life skills needed to excel in both their personal and professional lives in the modern era. KVSG Murali Krishna emphasized the necessity of life skills in engineering, stating that technical knowledge must be complemented by strong interpersonal and professional skills to achieve success. The session covered the principles of effective communication, including clarity, active listening, and impactful presentation skills. Practical exercises were conducted to help students improve their verbal and written communication. The importance of teamwork and the ability to work collaboratively were discussed. Students participated in team-building activities that illustrated the dynamics of working in groups and strategies for effective collaboration.

KVSG Murali Krishna discussed the importance of developing robust problem-solving and critical thinking skills. Interactive problem-solving sessions were held, encouraging students to approach challenges creatively and analytically. The session addressed the fast-paced technological advancements and the need for engineers to be adaptable. Techniques for building resilience, managing stress, and maintaining a positive outlook were shared.

The workshop highlighted the significance of ethics and professionalism in the engineering field. Real-life scenarios were presented to discuss ethical dilemmas and the importance of integrity in professional practice. Throughout the workshop, interactive activities and discussions kept students engaged and allowed them to apply the concepts learned in real-time. These activities fostered a deeper understanding of the practical application of life skills. The workshop concluded with a feedback session where students shared their experiences and insights gained from the workshop. Q&A session provided an opportunity for students to ask specific questions and receive personalized advice from KVSG Murali Krishna.
