Giving Directions
Circular

Date: 27-09-2023

Go up! Go down! Go straight! Turn left and Turn Right by participating in Giving Directions Competition organized for I B. Tech. students by ECHO Club.

Unleash your talent in naming the landmarks by Giving Directions to your partner. You are given a map of a town or a colony with various landmarks. One will be giving directions looking into the map and the other will be marking the landmarks as directed by the partner in the blank sheet.

- Come prepared with giving directions vocabulary
- Time given for each team is 10 minutes.
- You can repeat the direction.
- If the one who is marking gets confused he/she can use embedded questions like could you direct me from the hotel again?
- You cannot take advantage of the colors.
- All the landmarks should be named.
- Make sure that you use giving directions vocabulary.
- Along with giving directions vocabulary like go straight , on the right etc., try to use transition words like first, next, furthermore, now, after, again etc. so that it becomes easy for the marker.

Each team should have 2 members and all the members have to register individually. Interested Students have to register for the event by filling the google form available on College Website.
