

Department of Freshman Engineering

P.V.P. Siddhartha Institute of Technology

Circular

Students are allotted to all the faculty members for mentoring purpose. Allotted students will meet concerned mentor at 12 Noon on 03.09.16. Faculty are requested to interact with allotted students in view of following points.

1. On Engineer's day, i.e. on 15.09.16, we are conducting a working model exhibition in our college. Mentors are requested to discuss about this event with their students and ask them to prepare a model to participate in exhibition. Students must come with title of model by 07.09.16 (Wednesday). Each team may be formed with maximum three students. Mentors are requested to guide them accordingly. Finalised teams along with names of students and title of model must be submitted to Smt.T.Krishna Sree, Asst. Professor before due date.
2. Mentors are requested to distribute student's bio-data forms today and collect them from students on 06.09.16 (Tuesday). All the entries in bio-data form must be filled and photographs of student and his father and mother must be pasted at appropriate places. Mentors are requested to verify this form thoroughly (all details must be filled) before taking it back from student.
3. Every student must come with uniform. Without uniform they will not be allowed to class work from 06.09.16 (Tuesday).
4. Discuss with them about attendance rules and discipline.
