Prasad V Potluri Siddhartha Institute of Technology, Vijayawada-7

Institute financial support Policy to faculty participating in Training Programmes

In order to improve skill of faculty working in various departments of the institution and to improve the ranking of the Institute faculty members are deputed regularly to other Research Institutes of higher ranking and participate in workshops/seminars/training programs conducted on advanced technological innovations in various fields of engineering. The institute provides financial support to faculty members attending training programs at premier institutions as per the details given in the table.
