Research and Development Cell

Dt. 03-12-2020

**Subject: Formation of Research Ethics Committee (REC)**

I am pleased to inform that our institute has established a Research Ethics Committee (REC). This committee REC will play a pivotal role in promoting ethical research practices by ensuring the ethical conduct of research within the institution by faculty and students. The REC will play a vital role in providing guidance, expertise, and strategic direction to advance research endeavors of faculty and students within the institution.

**Committee Chairman**

Dr.K.Sivaji Babu Principal, PVPSIT

**Members**

1. Dr.C.Subba Rao, Prof. & HoD, ECE
2. Dr.P.Phani Prasanthi, Assoc.Prof., ME
3. Haji Habibulla MD. Sr. Asst. Prof., ECE

**Roles and Responsibilities**

- ❖ Provide guidance to researchers on ethical considerations in study design, participant recruitment, and data collection.
- ❖ Ensure that ongoing research projects adhere to ethical guidelines and address any ethical concerns that may arise.
- ❖ Ensure that faculty and students follow the regulations and standards for research set by the scientific/technical authorities/bodies from time to time.

Establishment of the Research Ethics Committee will contribute significantly to maintaining the highest ethical standards in research activities of the institution.
